

Dear patients and colleagues of Dr. Jessica Bell,

On behalf of Dr. Jessica Bell, this letter is to notify you that Dr. Bell is discontinuing her practice at Southside OBGYN. Dr. Bell will be leaving Southside OBGYN to pursue other professional opportunities and also endeavors to spend more time with her family. She will be leaving the Southside OBGYN community, **effective March 31, 2019**.

You are receiving this letter because you may be a person whom Dr. Bell has examined, treated, cared for, or otherwise consulted with in the last two years. Prior to her departure, Dr. Bell is reaching out to her patients to encourage you to seek the services of another practitioner for all of your obstetrical and gynecological needs and employ another practitioner for your care.

Should you desire to continue to receive care from one of Dr. Bell's colleagues at Southside OBGYN, we have seven other physicians and six mid-level providers that make up an outstanding team and are available to provide services to you. Dr. Bell and Southside OBGYN are further prepared to arrange for the transfer of patient records or to provide copies thereof to any succeeding practitioner you desire, including to those at Southside OBGYN.

On behalf of Dr. Bell, she thanks each one of you for the privilege of caring for you over the past nine years. Please join Southside OBGYN in wishing Dr. Jessica Bell continued professional and personal success and expressing that she will be sorely missed by the Southside OBGYN family and her community of patients.

Do not hesitate to contact our office if you have any questions or need additional information.
